I. Introduction

It is the policy of the School that any form of Bullying behavior, whether in the classroom, on school property, including, without limitation, school buses, to and from school, at School-Sponsored Events, or via Electronic act (defined as an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device) is expressly forbidden. Periodically, the School shall review the policy and consult with parents, school employees, school volunteers, students and community members regarding necessary revisions.

- A. Students who have been determined to have engaged in prohibited behaviors are subject to disciplinary action, which may include suspension or expulsion from school. The School's commitment to addressing such prohibited behaviors, however, involves a multifaceted approach, which includes education and the promotion of a school atmosphere in which Harassment, Intimidation or Bullying will not be tolerated by students, faculty or school personnel.
- B. It is imperative that Harassment, Intimidation, or Bullying be identified only when the specific elements of the definition are met because the designation of such prohibited incidents carry special statutory obligations. However, misconduct by one student against another student, whether or not appropriately defined or not, will result in appropriate disciplinary consequences for the perpetrator.

II. Definition of Harassment, Intimidation or Bullying

- A. "Harassment, Intimidation or Bullying" means either of the following:

 - b. Is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.
 - 2. Violence within a dating relationship.
- B. In evaluating whether conduct constitutes Harassment, Intimidation or Bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated

to others, how the perpetrator interacted with the victim and whether the victim's reaction was reasonable or foreseeable under the circumstances, and the perpetrator's motivation, either admitted or appropriately inferred.

- C. A School-Sponsored Event shall mean any activity conducted on or off school property (including school buses and other school-related vehicles) that is sponsored, recognized or organized by the School or on behalf of the School.

III. Types of Conduct

- A. Harassment, Intimidation or Bullying can include many different behaviors including overt intent to ridicule, humiliate or intimidate another student or school personnel. Examples of conduct that could constitute prohibited behaviors include, but are not limited to:

1. Physical violence and/or attacks;
2. Threats, taunts and intimidation through words and/or gestures;
3. Extortion, damage or stealing of money and/or possessions;
4. Exclusion from the peer group or spreading rumors; and
5. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as "cyber bullying"), such as the following:
 - (a) Posting slurs on Web sites where students congregate or on Web logs (personal online journals or diaries);
 - (b) Sending abusive or threatening instant messages or email;
 - (c) Using camera phones to take embarrassing photographs of students and posting them online or sending them to third parties; and,

In addition, information regarding the policy shall be incorporated into employee training materials.
2. At least once each year, students enrolled in the School will be provided with age-appropriate instruction of this policy including a verbal discussion and a written statement in substantially the same form as the Annual Notice attached hereto as Exhibit A, describing the policy and the consequences for violations of the policy must be sent to each student's custodial parent or guardian. Such written reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected Harassment, Intimidation and/or Bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action in accordance with this policy.

B. Verbal Complaints

A school staff member or administrator who receives a verbal complaint shall promptly document the complaint in writing, including the

above information. This written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action in accordance with this policy.

C. Protection of Person Filing Complaint

Individuals who make complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The complaints shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of Harassment, Intimidation and/or Bullying. The School shall establish intervention strategies for protecting a victim or other person from additional harassment, intimidation or bullying, and from retaliation following a report. Interventions strategies may include a means by which a person may report an incident anonymously, supervising and disciplining offending students fairly and consistently; maintaining contact with parents or informing School personnel of the incident and instructing them to monitor the victims and the offending party for indications of harassing, intimidating and bullying behavior. Personnel are to intervene when prohibiting behaviors are witnessed.
